

We, Anil Chawla Law Associates LLP

- **are research-oriented**
- **are international lawyers**
- **add value to business**
- **focus on:**
 - ✓ **Corporate Relationships**
 - ✓ **Global Business Structures and Collaborations**
 - ✓ **Arbitration under Bilateral Treaty provisions**

How do we add value to your business?

- Strategic advice taking entrepreneur's perspective
- Adviser and facilitator for international business relationships
- Assist with international joint ventures & collaborations
- Simplify complex issues for amicable resolution
- Avoid litigation as far as possible
- Research based opinion
- Design structures for global business entities
- Support for dispute resolution across borders
- Help businesses take advantage of bilateral treaties
- Third country arbitration
- Work in distance-mode, mostly without face-to-face meetings

Our Strengths

- Led by an entrepreneur-advocate-mechanical engineer (B. Tech. IIT Bombay)
- Well qualified team
- Experience of serving clients across the globe
- Problem solving analytical approach with quick response
- Ability to structure cross-border transactions and entities
- Knowledge of bilateral investment, tax and economic treaties
- Sensitive to cultural differences across countries
- Strong backing of research

Our Strengths (Continued)

- Take integrated view based on technology, finance, markets, personnel, management and of course, law
- Creative approach to solve complex issues
- Good knowledge of international private and public law
- High ethical standards - strictly no shady deals, no underhand payments, no double-crossing, no conflict of interests, complete transparency
- Complete confidentiality
- Belief in healthy, life-long relationships
- Focused on providing high quality personalized services

Our Philosophy

- Our primary business is to take care of relationships.
- We think like entrepreneurs.
An entrepreneur's perspective is practical and holistic. An entrepreneur is focused on optimization of resources – money, time, materials, machines and men.
- We keep away from courts and help our clients avoid litigation.
- We simplify matters.
- Availing our services ought to be easy and comfortable for our clients.
- We add value to our client's business.
- We contribute to our client's success.
